

The Sea Song

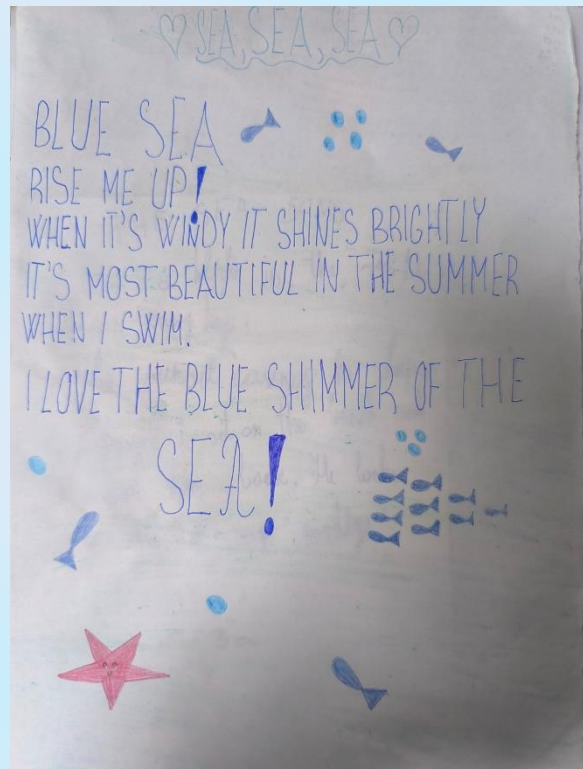

There is a dolphin in the sea;
He swims every day.
In the sunset evening he claps his fins.
I sit on the beach and I wave him back.
He looks at me and we say 'Goodbye'!

Sea, sea, sea

Blue sea
Rise me up!
When it's windy it shines brightly
It's most beautiful in the summer
When I swim.
I love the blue shimmer of the sea.

Sea song

The waves are dancing on the sea,
They sing a song for you and me.
With my brother and sister near,
We run to water, full of cheer;
We build sandcastles tall and
wide,
Then watch them melt with every
tide.
The waves touch our feet, then go
away,
And call us back to swim and play.
The sea is fun, so wild and free,
A happy place for you and me.
Then after swimming, tired and
slow,
We watch the sunset start to glow.

I love summer

*I love the sea
I love the boats
I love eating ice cream
With my Family*

*I love summer
I love the beach
I love the sun shining on me*

The Sea

The ocean blue is deep and wide,
 Where many little fish hide.
 The waves come dancing to the shore,
 Then rush back put to find some more.
 The golden sun shines on the sand,
 The prettiest place in all the land.
 A seagull flies across the sky,
 As salty silver clouds drift by.

Sweet Sea

Beautiful sea, blue sea.
I'm swimming in the sea.
I see a beautiful small crab.
On the surface of the sea I see small fish
and small shells.
The sun is hot.
When the wind blows, we sway on the
waves, and watch the boats in the sea.

Robert Doblanović, 3.b

Sea Sweet Sea

I like the sea.
The sun is warm and bright.
There is sand and pretty shells.
I can see fish in the sea.
There are boats in the sea.
The waves go up and down.
I make sandcastles on the beach.
There are little crabs and starfish.
The sea is quiet and nice.

Elin Perger, 3.b

Sea, Sweet Sea

I am sitting near a quiet sea
Looking at boats in the sea
Playing and making sandcastles,
Little red crabs walking next to me
Oh, sweet sea
Let me be part of you!

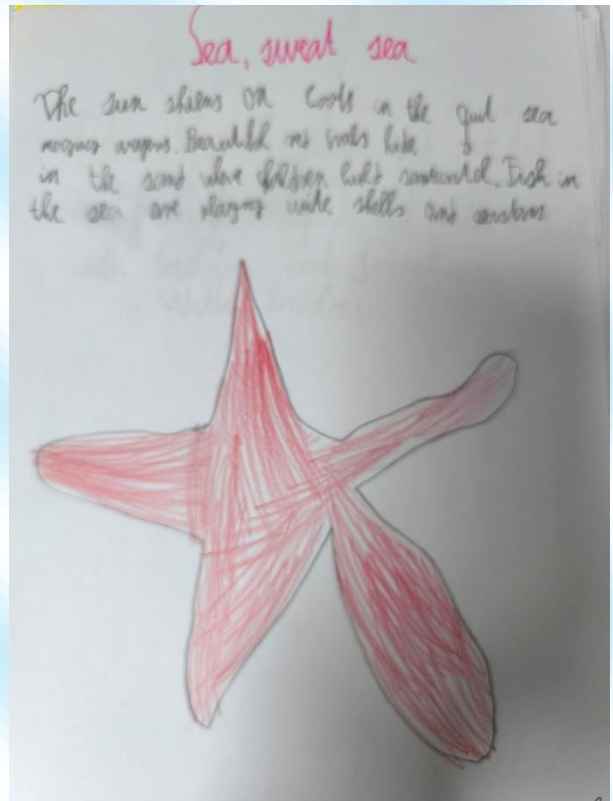

Pia Peteh, 3.b

Sea, sweet sea

The sun shines on boats in the quiet sea
making waves.
Beautiful red crabs hide in the sand where
children build sandcastles.
Fish in the sea are playing with shells and
sea stars.

Andrej Licardo, 3.b

Big Sea

It's Big Big Sea with turtles on a fish, fish,
fish and with a shell with bubbles and
sometimes with troubles!

Dora Vekić, 3.b

Golden Sea

When beautiful sunset shines on coast and
sea, sea becomes golden and begins to
bathe in gold.

In the sand shells are singing and joyful
jumping on the waves.

And when the night falls,
Magic is gone and the sea is calm again.

Ana Tesar, 3.b

The Big Sea

In the big sea diamond shines,
The sky and the sea often play,
Wave up wave down and the sun goes
around!

Hana Franković, 3.b

Sweet Sea

I love summer and swim with waves.
I love to play with shells and make
sandcastles.
I always look at fish, crabs and sea stars
With my diving mask in the beautiful sea.
Oh, I love you, my summer sea...

Gabriel Matan, 3.b

The Sea

Every summer I swim in the sea,
I collect shells every day in the sea.
I drink a lot of sea water while swimming.
Every morning I jump happily into the sea,
And sea takes me far from the shore.
After the swim I eat ice cream,
In my new dress for the sea.

Luna Peteh, 3.b

Sea

The sun is shining.
Ships sail.
The crab is sunbathing
And the fish are swimming.
Happy children swimming in the waves.
It's summer...

Stella Hrvatin, 3.b

Sea sweet sea

A small boat was floating on the sea.
She saw fish and dolphins in the sea.
In the night she goes back to the port.

Adrian Maurović, 3.b

Beautiful Sea

Beautiful quiet sea,
Quiet like a summer night,
With animals like crabs and
Fish enjoying their lives.

Klara hek, 3.b

Sea, sweet sea

Today I build a sandcastle on the beach.
I see a lot of boats in the sea
Looking for shells and sea stars,
The sea is quiet,
There are no waves.

Luka jelić, 3.b

Sea Sweet Sea

Boats in the sea are sailing on the waves
While the kids are playing in the sand and
building sandcastles.
Crabs, sea stars, fish and shells
Are enjoying in the sun and swimming in
the quiet sea.

Adrian P. T. 3.b

Like a Siren in the Sea

As pure as a melody, and cold as ice,
Crooked as a plier, fast as a fish.
Swimming in the sea as nothing goes on,
bored like a jellyfish...
Don't get too comfortable around
sirens...hah baby laugh...They say that I'm a
good one, everybody, but in the sand deep
in the ocean, (how deep) at least as the
Pacific Ocean...
In my head you are sitting on a rock.
So, turn your face towards the reflection in
the sea...You will see me!

Luvija Persović, 3.b

Sweet Sea

While I'm sitting on the beach
I see boats in the distance.
The sun warms me.
I'm in a T-shirt in the sea, I'm watching little
fish and shells
And the sand
I build sandcastles.

Anna Rokсандić

Sweet Sea

On the beach in the sun,
We laugh and run, just for fun,
Sand between our toes so free,
By the waves of the quiet sea.
Little shells shine in light,
Fish swim deep, out of sight.
Crabs crawl slowly by the shore,
Waves keep singing more and more.
Gabiella Oroshi, 3.b

Sea sweet sea

On the sandy beach,
I made sandcastles.
I listened to the song of the waves
And watched how
A boat on the sea slowly sails.
While crabs hurry across the sand
A sea star lies quietly in the shallow water.
While a curious fish swims around her...
Sea, sweet sea
You shine under the sun,
Like a pearl from a shell

Filip Gržinić, 3.b

Our beautiful sea

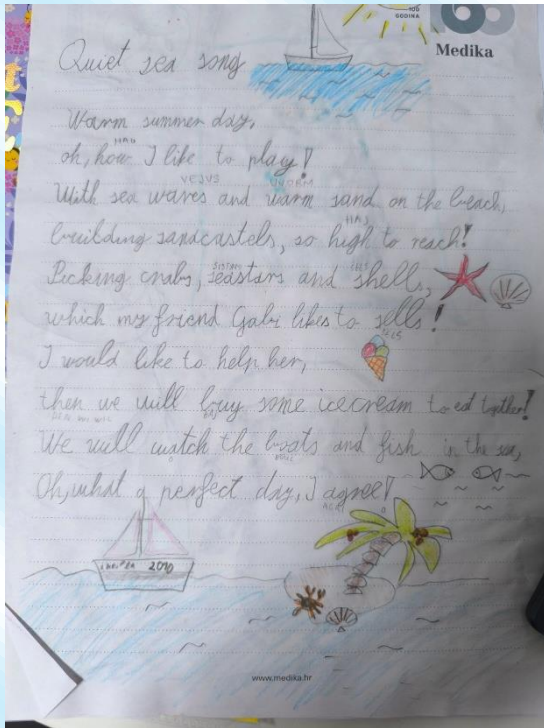

In our beautiful sea,
Boats happily sail,
Fishermen catch fish,
You can see shells shine at the bottom of
our sea.

In our beautiful sea, we enjoy to swim,
We enjoy searching for sea stars,
We enjoy playing in the sand and building
sandcastles.

At night, on the beach
Waves quietly destroy the sandcastles me
and my friends have made

In the morning we build sandcastles
again...

Vito Trošt, 3.b

Quiet Sea Song

Warm summer day,
Oh, how I like to play!
With sea waves and warm sand on the
beach,
Building sandcastles, so high to reach!
Picking crabs, sea stars and shells,
Which my friend Gabi likes to sell!
I would like to help her,
Then we will buy some ice cream to eat
together!
We will watch the boats and fish in the sea,
Oh, What a perfect day, I agree!
